ABOUT ME

As a dynamic and enthusiastic individual, I possess an insatiable passion for technology and design. My bachelor's degree in Computer Engineering and training in web development equip me with a strong foundation in Java, Web Development Languages, and MySQL. With a strong work ethic and a dedication to continuous learning, I am confident in my ability to contribute to the team's development cycle.

WORK EXPERIENCE

Video Team Member
Erasmus Student Network International [06/2020 – 09/2022]

- Edited National Board Training's Reel, 25 People, 1 Question Video, General Assembly Reel, Erasmus Recipes Videos, and Facilitation Crash Course Promotion Video, achieving a 30% increase in lead generation through targeted advertising campaigns
- Worked collaboratively with team members to ensure the successful execution of video projects, resulting in increased efficiency and timely delivery

Webmaster
Erasmus Student Network Samsun [05/2019 – 06/2022]

- Boosted website performance by 50% through code optimization and responsive design implementation resulting in a faster, more user-friendly experience
- Ensured the organization's knowledge database was up-to-date and accessible using Drupal CMS, resulting in a 30% reduction in response time to customer inquiries
- Resolved technical issues by collaborating with team members, resulting in improved system functionality and increased productivity

Communication Manager
Erasmus Student Network Samsun [27/09/2021 – 06/2022]

- Created stunning designs that enhanced the organization's social media profiles, resulting in a 200% growth in customer engagement through targeted social media campaigns
- Collaborated with cross-functional teams to create visually appealing user-centred design solutions for the organization's digital products using Adobe XD, resulting in a 15% growth in user base.
- Produced and edited creative videos, such as social Erasmus Projects and trips videos, that improved user engagement and increased brand awareness by 35%

Graphics Team Member
Erasmus Student Network Turkey [01/2019 – 09/2020]

- Developed and implemented targeted social media campaigns across multiple platforms resulting in a 40% increase in engagement and followers
- Coached and guided team members on Adobe Photoshop design techniques resulting in a 20% increase in productivity
- Designed custom GIFs for Instagram to increase brand recognition and engagement

EDUCATION AND TRAINING

Bachelor of Computer Engineering
Ondokuz Mayis University [10/2018 – 06/2023]

Field(s) of study: Information and Communication Technologies: *Information and Communication Technologies (ICTs) not further defined*

- Successfully completed a Bachelor's degree final project focused on 3D Puzzle Game Development, leveraging Unity and 3Ds Max to design, develop, and implement an innovative and interactive gaming experience, demonstrating strong technical expertise in game development and 3D modeling.
- Studied programming languages such as Java, C and Object-Oriented Programming principles.
- Completed coursework in Programming Fundamentals, Data Structures and Algorithms, Web Development, Database Management Systems, Software Engineering and Computer Networks.
